

# My Angel baby Project gown instructions.

Step 1-sew or serge shoulder seams.

Step 2-either serge and turn under the edge of the sleeves and sew edge OR turn under the edge of the sleeves and sew.

Step 3-repeat with neckline.

Step 4-sew or serge the side seams.

Step 5-if you have a serger, serge down the back edges and turn under and sew. If not, turn under back edges and sew.

Step 6-if bottom edge has fancy trim, leave alone. If not, serge bottom edge and turn under and sew. If no serger, turn under and sew.

Step 7-attach a 1/2" piece of Velcro at top of the back making sure the rough side will be away from the baby's body.

Step 8-attach 4 ribbons approximately 3" down from Velcro and again 3" from first ribbons.
