

Pouch instructions

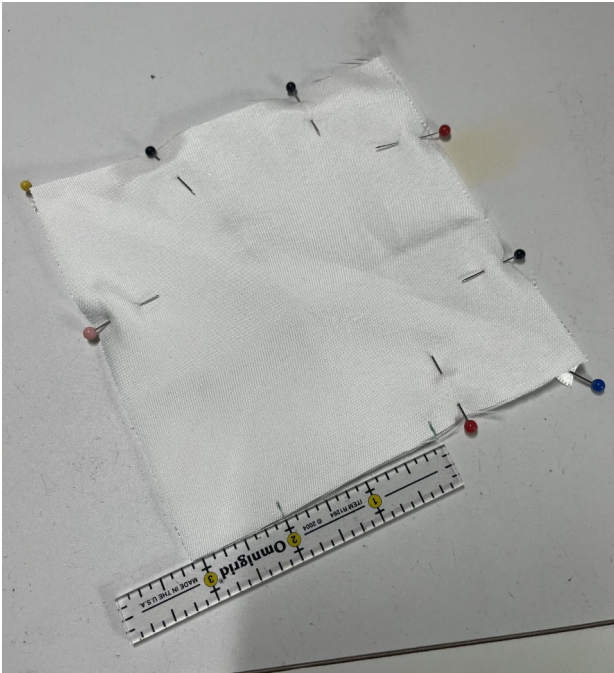

Cut one 5" square of satin
Cut two 5" square's of flannel
Cut two 6" ribbons

1. Fold 1 square of flannel in half to make a triangle. Press.

2. Place the triangle piece on top of the square flannel piece as shown. Pin the ribbon on the two corners as shown.

3. Place the satin square right side over the top and pin in place. Leaving a 2" opening, sew all around the edges. Make sure to back stitch at the beginning and end of your stitching so it will be secure when you turn it inside out.

4. Clip corners and turn inside out.

5. Top stitch all around the edges.
