

My Angel baby Project boy outfit instructions.

Step 1-with right sides together, sew front "v" part of vest, around arm openings, and along the bottom of the vest, leaving the sides open for turning.

Step 2-clip corners and inside the "v". Clip curves.

Step 3-turn right side out and press.

Step 4-sew the buttons on.

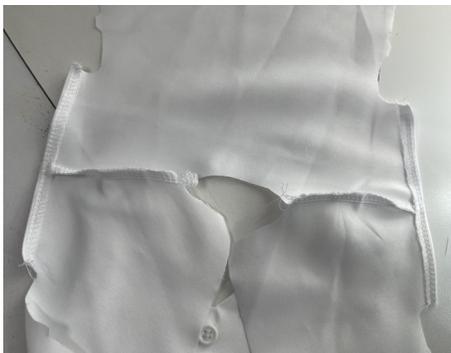

Step 5-pin the top of the vest to the RIGHT side of the front piece and pin back sections.

Step 6-sew or serge the shoulder seams.

Step 7-either serge and turn under the edge of the sleeves and sew edge OR turn under the edge of the sleeves and sew.

Step 8-repeat around the neckline.

Step 9-sew or serge the side seams.

Step 10-if you have a serger, serge down the back edges and turn under and sew. If not, turn under the back edges and sew.

Step 12-attach a 1/2" piece of Velcro at top of the back making sure the rough side will be away from the baby's body.

Step 13- attach 4 ribbons approximately 3" down from Velcro and again 3" from first ribbons.

Step 14-make a casing on the bottom edge and insert ribbon. Cinch it up tight and tie in a bow.

Step 15-sew bow tie onto neckline.
